OUR STORY

Coastal Painting Contractors, Inc. is a fully insured, licensed painting company with over 25-years of experience providing complete interior and exterior coating services specializing in industrial, commercial, institutional, and residential painting projects. We strive to understand our client's needs and provide an excellent job at fair and accurate pricing. We work efficiently and quickly with outstanding professionalism and take pride in attention to detail without compromising health and safety standards.

Coastal Painting Contractors is a sister company of the family-owned and well-known Pristine Painting & Decorating, Inc. which was established in Ontario, Canada and is now one of the largest coating contractors in Canada. Coastal Painting Contractors was born of the same fundamentals and core values to fulfill the needs and wants of all customers – a reliable, communicative, quality-oriented, customer-centric partner. We understand the frustration of unanswered phone calls and lack of communication, that's why we set out to be different.

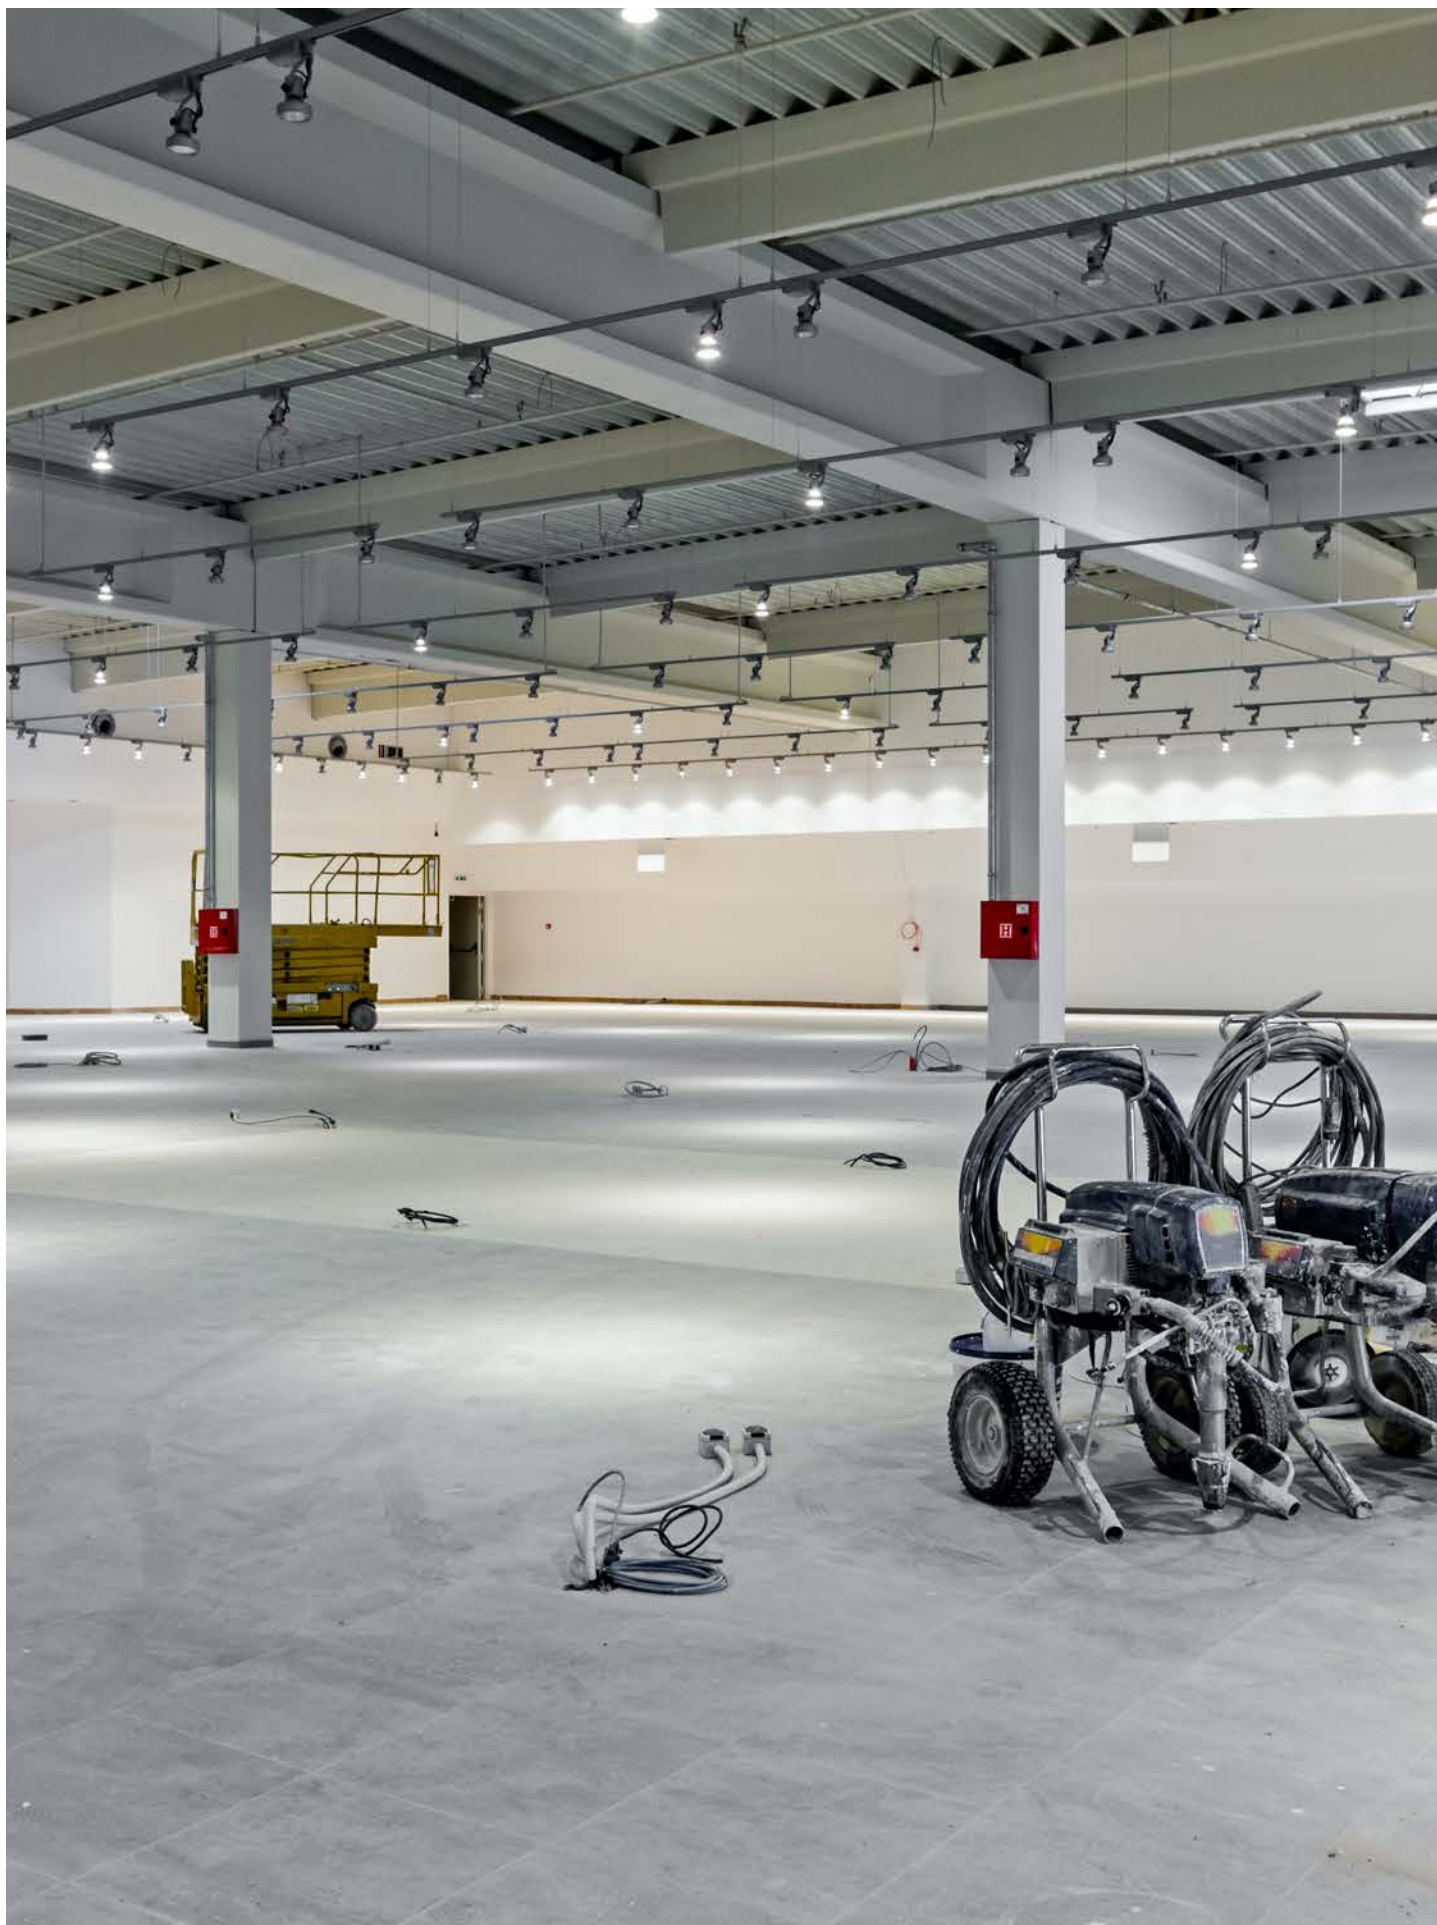

COMMERCIAL PAINTING

Coastal Painting Contractors welcomes opportunities to partner with general and design-build contractors on low and high-rise ICI applications. We have streamlined our operations and processes to offer both depth and breadth in painting solutions to meet all of your ICI needs. Whether your project requires basic interior office painting or large-scale exterior coating needs, Coastal Painting Contractors can do it all!

As part of our suite of solutions, we install wallpaper and provide staining, sealers and a variety of exterior protective waterproof coatings for commercial or tilt-up projects. If you are a building property owner or facility manager, renovating on a strict budget and timeline, our competitive pricing can be submitted in an unprecedented 24 – 48-hour period. We will keep you on schedule and on budget!

INDUSTRIAL PAINTING

Coastal Painting Contractors is well-known for its coating expertise in a variety of industrial complexes; including, manufacturing, food processing, beverage/bottling, warehousing, factory & machine, industrial floor coating & coverings. We offer outstanding industrial painting services with work performed by fully trained, experienced painting professionals.

Industrial projects come in many different shapes and sizes with very strict requirements. We supply and install

all types of specialized coatings such as anti-static, rust inhabitant, microbicidal, epoxy fortified, intumescent coatings and much more. These coating require advanced materials and skilled application to avoid costly and harmful mistakes.

We recognize the importance of business operations and work hard to meet deadlines to avoid disrupting your production processes with flexible work hours. We perform large projects efficiently without compromising your company's operations.

INSTITUTIONAL PAINTING

Coastal Painting Contractors has an outstanding reputation painting institutional projects such as churches, schools, government facilities and correctional facilities. Our employees are respectful and efficient with a reputation for professionalism.

to meet LEEDS standards or meet strict building codes and requirements. Some projects have specific labor requirements that we must be prepared for. We ensure client satisfaction is met and we guaranteed quality painting services.

Institutional projects can be quite different with specifications for specialized products

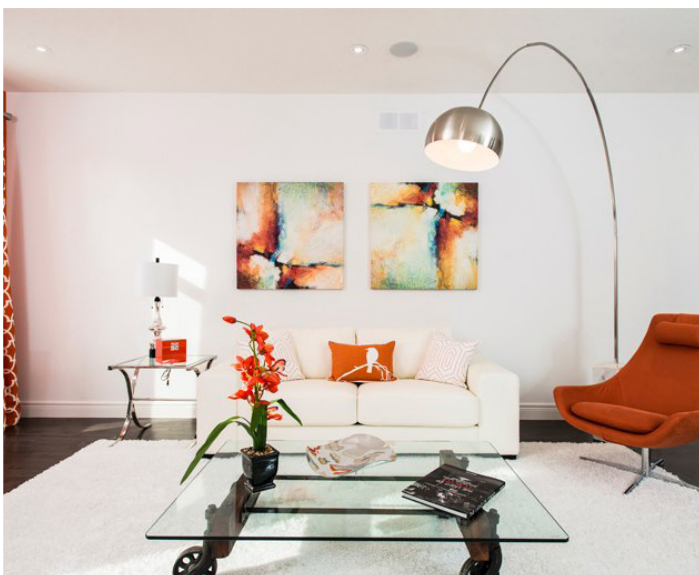

RESIDENTIAL PAINTING

Coastal Painting Contractors provides professional painting of newly constructed community developments and residential re-paint or maintenance. Our teams are trained and equipped to handle project of all sizes, knowing the complexity, flexibility and attention to detail when working on your home.

We take responsibility for project from start to finish and can consult on color schemes what best suits your taste to make your house, your home. We assure clients that we deliver the utmost diligence and attention to detail to ensure your dreams and goals are met. Contact us today for a FREE quote!
